Don't miss out! Places fill up fast!

This November we will be running a family photo day at the Chiltern Wood School. It's run by one of our LEAP dad's, Simon Patrick, who took the photos for our last couple of performance programmes.

These events offer great family portraits, perfect for presents. For £15 you will have a 10-15 minute sitting that creates about **40-80 images** in a range of fun and informal shots of individuals and groups. You can view and buy them online, and they get delivered straight to you! It's really simple - great value prints that you can review and share securely; no pressure selling; no compulsory frames. Just lovely images capturing special family memories.

Prints from just £10 - save up to 50% with quantity discounts

Prints can be as little as £10 each, which includes free retouching, and the special offer packages of the same image start from just £25 for an 8x6" and two 7x5" prints.

Perfect for Christmas presents!

Turn your images into modern art with elegant, contemporary frames or canvases. They make a great present, you can simply buy the prints and frame them yourselves too. You can even buy all the photos digitally so you can do what you want with them!
